**Futures Price Trend**

**Market Analysis**

ICE September arabica coffee settled down 2.55 cents at \$1.111 per lb. The market has been buoyed over the past week by expectations that cold temperatures in major coffee growing areas of Brazil could prompt a crop-damaging frost. A weaker Brazilian real was also a bearish factor, as it can encourage producer selling of dollar-denominated commodities like coffee. September robusta coffee settled down \$30 at \$1,444 per tonne.
