Futures Price Trend

Market Analysis

ICE Arabica coffee futures bounced higher on Wednesday for the first time in three sessions as the Brazilian real strengthened against the dollar, removing a recent source of pressure on coffee bean prices. ICE July arabica coffee futures settled up 0.45 cent, or 0.4 percent, at \$1.197 per lb. Robusta coffee consolidated just below last month's five-month high, underpinned by concerns that drought is likely to curb production in Vietnam. July robusta coffee futures settled up \$6, or 0.4 percent, at \$1,585 per tonne.
