Futures Price Trend

Market Analysis

ICE Arabica coffee futures rose to its highest level since August, both boosted by a stronger currency in top grower Brazil following the first round of the country's presidential election. December arabica coffee settled up 2.9 cents, or 2.7 percent, at \$1.1185 per lb. after reaching \$1.1295, its highest level since Aug. 7. The market was buoyed by Brazilian currency strength while speculators have been scaling back a large net short position. November robusta coffee settled up \$29, or 1.75 percent, at \$1,684 per tonne.
